Please attach a personal essay, not exceeding 350 words, telling us why you are interested in studying to become a Lineman. On a separate page, provide three references and a list of your activities.

Send this application to:

Jill Hanson  
Midwest Electric Cooperative Corp.  
PO Box 970 Grant, NE. 69140

All entries must be postmarked no later than March 16, 2018. Midwest Electric's scholarship committee will review the entries and select the recipient. The winner will be notified prior to May 1, 2018.

## **Fostering a skilled, safety-conscious workforce.**

Midwest Electric Cooperative Corporation offers two scholarships annually, worth \$1,000 each. The scholarship will be paid to the selected winner's school of attendance.

Scholarship winners are not guaranteed internships or employment opportunities at Midwest Electric. Applicant needs to

reside within the Midwest Electric territory boundaries.

### **What can I expect if I choose a career as a Lineman?**

Midwest Electric Cooperative offers the opportunity to ride along with a lineman so you can see what the job entails. Contact Operations Manager Chris Schrotberger to make arrangements. He can be reached by calling 308-352-4356.

Class sizes are limited in lineman programs. Midwest Electric advises those interested in enrolling to contact schools as early as possible.
