

IRRIGATION RATE 28 THROUGH 39

*****All irrigation accounts will be billed \$16.50 Per HP in April per the highest billed horsepower from the prior year.***

****Tri-State Peak Demand Periods*** *Tri-State Peak Period: The peak period is from 12:00 PM (noon) through 10:00 PM (the billing ½ hour period ending 12:30 PM through the billing ½ hour period ending at 10:00 PM) daily, Monday through Saturday, with the exception of the following six (6) holidays if occurring on Monday through Saturday: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. All times Mountain Time Zone*

Midwest reserves the right to control irrigation loads due to overloaded circuits, overloaded equipment or equipment failure in Midwest Service Area. Midwest will only control loads that will help maintain reliability. Midwest will alternate customers during this control time to reduce the risk of damaging crops in the restricted area. No incentive payment will be made.

TYPE OF SERVICE Seasonal Service
CLASS 13-Irrigation
CYCLE 9-Irrigation

The Annual Minimum of \$720.00 or Contract minimum, whichever is greater which will be checked on the December billing.

Facility Charge		\$ 3.00 per horsepower
Plus Demand Charge only if run ON PEAK* in May, June, Sept		\$ 8.40 per horsepower
-OR- Demand Charge July/August		\$10.70 per horsepower
First	100 KWH/KW	.059 per KWH
Over	Remaining KWH	.045 per KWH

Usage in the Months of January thru April will be billed in April with the \$16.50 per horsepower facility charge. Usage in the months of October through December will be billed in December finalizing the season.

Demand Charge		\$0.00
Energy	First 100 kWh/kW	\$0.140
	Over 100 kWh/kW	0.045

No demand charge for the month if well runs only 10 PM to 12 (NOON) MDT (Off Peak).

In addition, a \$16.50 per billable horsepower from the prior season will be billed on the April billing.

A rate change requested by an irrigator from a control rate to a non control rate during the irrigation season will result in billings to the cost of the new rate forward to the remaining of the season. Only one rate change will be allowed per season.

There will also be a 5% penalty charged on KWH usage for any irrigation service that does not have capacitor installed.

A late charge of \$10 or 10%, whichever is greater, will be assessed on any account not paid on or before the due date. In addition, accounts still owing a balance at month end will be charged 1 1/3% interest (interest is not charged on the penalty charges).
